ObjectClaim No Right

1. In answer to Complaint: For each subfile listed above, please **initial** in one of the two boxes to indicate whether you object to the description of water right(s) contained in the State's proposed Consent Order, or whether you make no claim as to the water right(s) described in the State's proposed Consent Order.

If you object to the description of water right(s) and reject the State's proposed Consent Order, or if you make no claim as to the water right(s) set forth in the State's proposed Consent Order for any of the Subfile Numbers listed above, for each such Subfile Number please explain in the appropriate spaces below.

I object to the description of the water right(s) described by Subfile Number(s) CHCJ-002-0056 because

I disagree that the land have not been
irrigated from prior to 1987

7087

I would like to have an opportunity to meet again with the State Engineer Staff during a field session this irrigation season with my attorney present.

I believe that we hold water rights. I will provide witnesses that the property (CHCT-002-0086), was using water from the Bodo Ditch. My attorney will like to examine aerial photographs from 1935, 1958, 1966, 1975, 1981 and 1995.

(Attach additional pages if necessary)

I made a good faith effort to resolve my disagreement with the State's proposed Consent Order by

meeting with Lisa Biron (Attorney) and hydrographic staff on March 14, 2003.

Court documents was provided because of the ownership of this property (lawsuit).

I want to make an additional appointment to meet the hydrographic staff again during the upcoming session.
